“ I worked with Raymond at Vought Aircraft and have many fond memories. He was a man to be respected and knew his business. He helped me as a young supervisor and I am beholding to him for helping me get through my early years. We went on outings as a group and had a blast fishing and camping out. You are my friend and I will miss you. You have found peace and I'll see ya on the other side my brother.

A very good man, and a GREAT friend all the years we worked together at LTV Aerospace. Raymond and I was in the Maintenance Dept. and shared many a good time together. Even though I hadn't seen him in more than 20 years, I knew he was there and could call on him at any time, and so will miss him so very much. My sympathies to the family and friends---
