“ *All I can think about is how Ray loved these kids and how much he
supported them. I know the baseball team feels as if they lost their
#1 fan! But, I know Ray will be watching and will be cheering them
on! God Bless each and everyone of you!*

“ Dianne,

I just don't have the words to express my sorrow for you. I was so happy when you and Ray found each other after all these years. I remember in high school he had a crush on you and I was so glad you found each other. I will be praying for you and I know you are facing one of the most difficult things you have ever had to do. Know that you have friends and family that love you and you are not alone. You are so much in my thoughts and prayers.

“ *Dear Mrs. Summers,*

Please accept my belated condolences...I was on vacation during this time and did not attend services. But I wanted you to know that Ray Summers was a very good man and always very pleasant to work with. Every morning he would tell me he was "fantastic", with such enthusiasm.... and I miss him so much. I hope you're able to move on and cherish your memories with him as well.

God Bless,

Penny
