“ *I have so many wonderful memories of Reba. My parents moved next door to her when I was a young child. I remember her dog she loved so much, named Tuffy and the cats she loved also. I am so honored to have known her. She was a kind, delightful person, and I will miss her.*

“ *We will miss Reba so very much. She was a wonderful neighbor and friend. My youngest daughter Caleigh, loved to play on her porch and swing with her on her swing. Every morning when I left for work, Reba would wave as she sat on her swing with her "adopted" cat. When she was in the hospital a few weeks ago, my daughter Caitlin and I went to visit, Reba smiled so big at Caitlin. They loved each other too. We will each miss her but look forward to the day when we will see her again.*

“*Mrs. Cobb was a dear neighbor to us for many years. We were always amazed at the energy she possessed at her age. She would take care of her garden and yard by herself, putting younger people like us to shame. She loved sitting in her porch swing, playing with the cats, (including our "Tigger"), and waving hello to all the neighbors. We will certainly miss seeing her on the porch when we drive by the house! We pray for God's comfort to her family and loved ones.*
