“ *Rebecca was one of my best friends I have ever had. She knew everything about me and my life. She was as close as a sister to me. We could go months without talking but when we did, it seemed like I had just talked to her the day before. Rebecca never hesitated to put me in my place when I needed it! She had a heart of gold. She loved her family dearly. She always had a smile on her face. We spoke endless hours at times! Most of it was when I had to repeat myself because she was so forgetful or she forgot what she was talking about! Haha! My heart is broken and I will forever remember my sister as long as I live. Rebecca, I love you and you will always be in my heart. 🥹❤️*

“ She was one of a kind. And the smile she had. She loved her grandkids and her sons beyond words. You could see the gleam in her eyes as she spoke about them. It was such a pleasure to have had her cross my path.
