“ We were good friends through high school. We played ball together for a few years when we were young and he had a fantastic curve ball. The last time we met was at his fathers funeral, we talked for awhile. Even though we've been far apart since high school, it feels apart of me, and a part of my life, is gone. I'm very sorry for his families loss.

“ Sandy you and Dennis were always my best of friends, and I will never forget the many many prayers that Dennis prayed for me and mine...Dennis was always there when I needed prayer. He is in the arms of God now and in the most beautiful place with his Heavenly Father...Through the years we shared our many memories, and I know that Dennis is walking on those streets of gold now that he preached about many many times...May the peace of God be upon you every day of your life Sandy and upon your family.

“ Sandy, Jimmy, Denny, Mike , and Sarah, There were some awesome times that we shared back at Evangel Temple. Brother Wolver was a great man of God. He loved the song and we loved to hear him sing HE CAME DOWN TO MY LEVEL! He always had a smile and hug for me when I saw him. He has prayed a many of times with us and for us. Sister Wolver I am praying for you and your family. You have always been a strong woman and I have always thought so highly of you . PRIMS back in the day are great memories of my childhood christian foundation today. If there is anything we can do please let us know. You are in our thoughts and our prayers during this time.

Much Love
