“ *Kenneth and Conway:*

It's been a long time! My Mom gave me the obituary of your Dad and I am so saddened to hear of your loss. I remember when he was our pastor at St. Luke's -- what fun we had! Remember the ceiling?

Your Dad was a wonderful minister and one of the best pastors I can remember. He truly loved all of his members -- and had the patience of Job with all of us.

I hope you are all doing well. All of you are in my thoughts and prayers. He most certainly has a special place in Heaven.

“ Alice, We are going to miss Ken. The last time I saw him I asked if he remembered me staying with you all when I was in college at Navarro County. He said he remembered. I so much appreciated your letting me stay with you then. We love you and pray that God will bless you in a special way right now. Love Elsie (Grounds) Mullins & Roland

“ To the Family of Rev Kenneth Bass,
There are not many left in this world to compare to the person of Bro Bass. He was one of the kindest and most compassionate person that I have had the privilege to know. I am currently serving as a minister at Emhouse United Methodist Church and it was the guidance and encouragement of Bro Bass that I am where I am today.
Prayer and love to your family in this time of loss, but I know without a doubt that He is strolling along the beautiful river of Jordan.

“ Ken,
I am so sorry for your loss, but join you in rejoicing for the many years you got to share with your Dad, and in the knowledge that he is no longer suffering nor confined to a bed, but rejoicing in the presence of Jesus Christ.
