“ *I feel blessed to have had the chance to know Richard, even though it was for a short time. He always had a warm, friendly smile when I would see him, even if it was to wake him from his naps! He is now free from affliction, and running the streets of gold. He will truly be missed!*

*When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight.
~Kahlil Gibran*
