“ *Donnell,*

Your gentle spirit and warm smile will always be missed. You were a bright sunshine in our lives and your visits to Colorado were always special. Over the years you were extremely special to Bev, and she will miss those out of the blue phone calls to see "what's happening up there" calls. May you rest in peace and know that you were special in our lives. We can see you now, dancing through the heavens with Jean. We will never do the Macarena and not think of you! Love and prayers to all the family.
