“ *Happy Birthday my love!!!*

Remember with the heart that bit of yesterday we shared. Remember life as it was lived; look back at how we cared. Dwell upon the moments when our paths forever crossed. Think about the love we gave, the part of us we lost. Liberate the love we felt, the warmth that we have shared. Tell the mind to keep alive the spirit of the past. Tell the heart to never part with special memories that last. I Love You, I miss you!!! EV

“ *Daddy,
you are the air I breathe. you are my shining star at night. I know
that you are watching over me as i sleep at night like you did when I
was a little girl. I have so many memories that no one can ever take
away from me. You were always there when I just needed to talk.
You always had an answer for every question I asked. It didn't
matter what I asked, you told me what I needed to hear. Even if I
didn't like the answer. I know what you are saying right now. "For
me not worry, cause you can take care of yourself." I love and miss
you very much. See you again someday. I love you Daddy!*

“ Our world has become a world of one, a quiet world with no more whispers of sweet I love you, no more soft kisses of assurance. Ther will never be another walk in the moonlight or reaching out for you as a natural reaction. Instead this world is filled with tears and pain. Dark clouds fill the sky and the cold winds blow. Sleepless nights are long and hard. You float in a world where you don't really hear, see or understand. You hope sometime soon you will wake up and see that it was just a bad dream, but this is reality and you must carry on. You wonder through your days and hope to survive the nights. The days come and go and it seems as if time is standing still. Your heart aches yet you are numb, you walk in a daze and feel you don't belong anywhere any more. Our World is no more...
Goodnight my Love, until we meet again! Elvira

“ So where do we begin...Ricky you were a good friend to many people; and those people love you for that in return. You are a very special person Ricky one who touches everyone that knows you in a very special yet oddly unique way.

So as for all of us you were so much more than a friend. You were a dad who loved his kids with all your heart, you were a Papa to some and a pretty good one at that, and you were the best friend that anyone could have ever asked for in a million years; oh and lets not forget the best father-in-law a girl could have ever asked for. There is not enough time in a day to even begin to explain why "Ricky Vaughan", is so special to us and why we love you so much.

Well heres to you...

Dad I want you to know that no matter what you are my dad always have and will always be my dad. I miss you so much already and with every minute of the day it just gets more and more. If i could have one wish and it could be anything... you would be that wish.

I LOVE YOU DAD

Matt Vaughan

Ricky you were always like a father to me. You would always be the one to take care of me didn't matter what the situation was. I want you to know how much that i loved hearing you call me "your daughter". I will always cherish those moments for the rest of my life. Oh and Ricky you don't have to worry about Papa's 2 Best girls they will know exactly who thier Papa is.

I love You

Kristen Vaughan

I am still in denile that you are gone. Ricky it was you who taught me how to be a man. When I lost you I lost a teacher, my best friend, but more than anything i lost a Daddy.

I LOVE YOU RICKY SO MUCH.

Chat DeMoss

It is amazing to think that in just five months I could grow to love someone so much. You seem to be able to do that to people. The times that I spent with you Ricky will stay close to my heart for the rest of my life. I still try to play pool...like you said the only way to get better is to play, but somethings wrong I can't seem to get the part down where you get better. I am so glad that you went with us that weekend to the drive in, the movies were ok; but the putt putt golf was to fun. Ricky you know how you told me "Thank You", but never said what for. Well "Thank You", for giving me the chance to know you. You are truely an amazing person, with lots of love to give. I miss you very much it still feels like a bad dream that won't go away. Ricky when you told everyone that I was your daughter-in-law and that you were so proud of me and that you loved me. Well truth is I am so glad to call you my father-in-law and I do love you and Chat very much. Chat does love me...but you already knew that cause he is your son right. I promise I will be all I can be for him and I would never let you down on my PROMISE TO YOU.

THANKS FOR THE LAST DANCE!!!

I LOVE YOU HORSESHOE

Lisa O'Sullivan

We love you papa. Oh and by the way she is almost as pretty as Papa.

I LOVE YOU

Papa's Girl and Alli Girl.

RICKY YOU MAY BE GONE BUT WE WILL NEVER FORGET YOU...WE WILL ALL FOREVER BE MISSING YOU.

“ Matt and Chat...There are no words to express the sorrow. Remember Christmas Day at our house how he told you how much he loved you both, how you were his best friends, and how proud he was of you both. Keep these words forever in your hearts. He meant every word he said from the bottom of his heart. Let us find some comfort in knowing that we will be with him again one day. I love you both. Shelli

“ Almost every day for the last 3 1/2 years you would ask.. "are you my girl?" Every time I would tell you the same thing... "I'll always be your girl." Your horseshoe will forever be on my skin...your kiss forever on my lips...your love forever in my heart. I miss you so much...I love you endlessly. Until I see you again, my love...your girl...Shelli

He is in Heaven now and with his mother, who he loved dearly. I hope that God heals the hurt and is with you in this time. May the Lord Bless you and watch over you, Sincerely, Jan*
