*Every year Richard would start the task of putting up lights on his house for Christmas. And they were always so perfect and I Truly enjoyed the time and effort he put into creating a wonderland out of his home and property. That has always been a blessing to me. And to drive by and honk at him and get a wave always made my day. Richard I will miss those small things the most. I will miss hearing the stories from Sharon on yalls latest trip. And Richard. Mark and I will do our best to help care for the love of your life. Love you dearly buddy.....until the next wave. ( waves)*
