“Ricky was a great man! I met him 8 years ago and he has been cutting my hay ever since. He was more than just the farmer who cut my hay. We became friends and spoke at least once a month. I called him just this past Saturday and left a voicemail for him and didn't hear back, so I knew something was wrong. I was aware of his health issues, but he kept telling me he wasn't gonna leave us anytime soon. Take care my friend and I'll see you again some day. I'm sorry you didn't have a chance to finalize the last favor you wanted me to do for you. You will be missed!
