“ *Pansy, Scooter, and Leslie,*

Please accept our deepest sympathies. Words are so inadequate at such a time as this. Know that you are being remembered by many in both thought and prayer.

“ *I didn't know him personally, but he was a good friend of my father-in-law, Bill Miller. They worked together at Oil City. He let Dickey and I fish in his tank for goldfish for our fish pond. I know that anyone that Bill liked had to be a good person. I know they're "catching up" in Heaven. God Bless the family.*

“ I could not have had a better father in law.He was always there with words of encouragement and support.when our son was born he was so involved in Wils life and growth .From wood working projects,gardening,or just reading to him,he was always there when I was unable to be.I know my son will be a better man for having had his grandfather in his life.Thank you Pa,until we see you again.Hal Prater

“ What a great Man and Mentor. I worked with Roark when I came to work at Oil City Iron Works in 1993. He would travel with me to meet all of our customers. It made the transition very smooth. He was admired by customers and co workers. He was born the same day as my father and I always made it a point to call him on that day. I hope they are both telling funny stories about me in their Heavenly Home. He will be missed.
