

## Robbie Andrews

October 12, 1956 - July 26, 2019

Robbie Rose Andrews of Corsicana, left her earthly home to join her heavenly family, on Thursday July 25, 2019 at the age of 62.

A very loving, big hearted, daughter, sister, mother, grandmother, aunt and friend. This was Robbie!

She was preceded in death by her husband Richard E. Andrews, and parents H.L. (Buddy) and Helen Barclay Andrews

She leaves behind her son, Brandon Andrews and wife Alicia, her precious grandsons, Gage, Gavin and Grayson Andrews; her sister, Elizabeth A. Schultz and husband David and their children, Waylon Schultz, Nicole Schultz and daughter Charlotte Rose Caufield. Brothers Homer L. Andrews and partner Mark A. Rash, Daniel C. Andrews and wife Barbara and their children Daniel Andrews and wife Mandy and their children. Amy Kerr and her husband Matt and their children; her step children, Marcie Kilcrease and her children, Tracie Andrews and her children and Jason Andrews and his son. She also leaves behind her fur babies Lilly and Simba who were her constant companions.

Robbie had a lot of “spunk” as one person put it.

She was always ready for a party and loved being around family and friends and helping others. Robbie had the biggest heart and would always put others before herself at a drop of the hat. She was a caregiver at heart.

Her favorite things to do came from growing up in the country and being daddy’s girl. Robbie loved to fish, hunt, water ski and could certainly keep up

with the guys! In her later years, her precious grandsons gave her pure joy. They could always brighten up her day. She “loved them to the moon and back”, as she often told them. Robbie was the type of person who, when decided to do something, it was “let’s do it and do it now”! Our loving family and friends will miss her deeply, with her loving heart, humor AND her bossiness!

A visitation and memorial service will be held Saturday, August 3rd at Griffin-Roughton Funeral Home, with visitation at 10:00 am and service at 11:00 am with Rev. Kathy Collier presiding.

“ *Robbie, it seems like ages and then just seems like days since we first met you? A beautiful young girl who always met you with a smile and a laugh. We went to church together, rode the bus together, went to school together and grew up together, we were friends and I believe we still are. We're going to miss you for awhile longer down here, but you'll never shed another tear! Our thoughts will be for those left behind, the family we knew, Homer, Liz and Danny. God bless them and God bless you, Robbie Andrews!

“ It still doesn't feel real. It still doesn't feel like you're gone. I always called you the tank because nothing could take you down. You were the cool aunt I could tell anything to. You always put others before yourself no matter what. You had the brightest soul & now you'll be my brightest star in the night sky.  
I love you so much & I will forever miss you Robbie Rose.

“ Sis, not a goodbye, but see you later Sis! I know I will see you again someday, and when I do we may even butt heads as we usually did. But very soon after showed our strong love for one another and said I'm sorry. Both of us stubborn as can be. I know you are there with your Rick, and mama and daddy, and they welcomed you with open arms. I will miss our special times together growing up and becoming adults. We were so different but yet so alike. Thank you Sis for your amazingly big heart, loving and caring for all that crossed your path, that needed help. I can't quite imagine how life without you from now on will be, but I will carry you in my heart forever, until we meet again. With all my LOVE, your big brother.
