“ *My heartfelt condolences go out to Bonnie and the family. Hudson and I shared many rounds of golf and late afternoon putting contests. He was a wonderful and kind man. I could tell that his favorite book was The Bible.*

Thank you for the comments Bruce. I know you and Hudson had so many good times playing golf together and he had so many good memories of those times. He missed it so much when he had to stop playing golf.

“ *One of my fondest memories is when he and Bonnie took us all bowling after having a very nice dinner in their home. I have always cherished that memory. I really looked up to Hudson. I majored in accounting to be a CPA because of him. He was a very nice person and I had the highest respect for him. I am truly sorry for your loss and wish you peace and joy knowing that he is home with our Heavenly Father.*

Anjanette, I remember us doing that for y'all! I'm so happy that you studied accounting because of his influence. He would be so happy to know that, and I am happy, as well. Thank you for taking the time to tell us that story.

You guys were so kind to me. I was so nervous! But you were so gracious, and I will always consider that night, which, of course was my very first date, one of my fondest memories.
