“ I have fond memories of Uncle Bob from when I was a kid. Hearing him tell stories of living in his travel trailer with his generator out in the desert of Arizona. He would say, 'If I saw someone setting up camp on the horizon, that was too close. So I'd load up and drive farther into the desert.' Talk about off the grid!

I also remember he would travel where he wanted, work for 3 - 6 months and then hit the road again. Last time I saw him was in the mid-1990's when he and his travel-trailer were in Longview, I think with the Good Sam Club.

*To my cousins, Robby and Dafney:
I know you'll miss your dad, but I hope you find comfort in knowing he's in heaven.*

Praying for comfort for all of you.
