“ Judy and Julie and the whole family. Bob is an amazing father and grandfather and great grand but most of all he loved Judy like no other. What an example of soul mates. My heart is broken but glad he is without pain. I'm still in shock of it all and he will be greatly missed. Love you and prayers to the whole family.

“ I am still in shock as I know you are too. You two were perfect together. I could not have picked a better brother-in-law. He always had a smile on his face. He always had such a big heart and knew when you needed a hug or just simply someone to just sit and talk to. I remember when he had sat up the motor home for me to spend the night and I was so touched when I walked in and he had lit a candle so it would smell good. That is just one of numerous thoughtful things he did. Love you and saying prayers of comfort for you and all who loved him.
