“ Robert, I know I've said alot of horrible things but, I never wished this to happen to you. I never said I didn't want you in Kristina's life. There are alot of thing left unsaid and now that your gone, it's too late to tell you all the things I needed to say. I wish that we hadn't listened to the he said, she said nonsense. You were loved by many people and I am one of them. I never hated you Robert and I know you thought I did but, I didn't. Even with all the nonsense I wish we could have at least been friends. Robert you have two women crying for you and for the children that lost their father. You have three children that will never know their father, I mean truely know him and I'm sorry for that too. Hopefully me and Sarah can be friends because you probably would have wanted it that way. I pray to God that you hear our cries so, that you know how much we loved you Robert. You rest nowand Don't worry. God will take care of us. We will all see you again in Heaven someday. Just remember that me, Sarah, Jordan, Kristina, and Susan all love you and we will miss you. love, Jaclyn
