“ My heart goes out to you all, how well we know your pain and loss. Heaven has received another beautiful angel to watch over each of you during these hard times. I know only time will help ease the pain, but knowing you have so many friends that care will help you get through it. He is free once again, no more pain. Hold all the wonderful memories you had with him close to your heart forever. He will be watching over each of you. Take good care of your Mom. All of our love...

“ I am so sorry to hear of your loss. Robert was a great man and will truly be missed. Robert was always smiling and good natured and when you would get him and Cowboy together the jokes and laughter would never end. Know that he is in a better place and no longer suffering.

“ My Uncle Robert is a blessing to all who have known him. Always quick with an infectuous smile, just the thought of him has always brought a stupid grin to my face. Virtue of his good-natured wit and persona, the mere mention of him lights up the faces and hearts of friends and loved ones. Humanity has lost one its greatest ambassadors of good and cheer. This fine man will be sorely missed, but ever remembered. Rest in peace Uncle Robert. God Bless.
