“ *Our thoughts are with you Julie, Jerry and Libby during this time. I have fond memories of visiting your family in Texas and Uncle Pete's big personality. Also, I must mention a memory of the best home cooked meal I ever had by Aunt Sally! Mom told me she always cooked like that for Pete. :)*

“ *My good friend, Pete. What can I say besides I know you are finally at peace? God knows our hearts and you are now free from all your earthly cares. Until we meet again! Bob*

“ *I've taken care of Mr. Newsom I guess for the past eight years. He'd most of the time come to my window. I'll miss him but we know he won't be hurting anymore.*

“ We are remembering the good times we had in years past! Being neighbors for awhile and visits back and forth from California to Texas. Steve especially had a good relationship with Pete and is deeply saddened by his passing!
