“ *This is so difficult to write for how can I sum up in a few words what Bob and Bobbie have meant to John and I for all these many years that we have been friends.*

Suffice it to say that Bob and his laughter will be sorely missed!!

John & I have celebrated the New Year with you and Bobbie every single year for about 18 years. It seems somehow fitting to celebrate this one with you as well. Here's to you Bob, and in your own words that you toast to us every year on New Year's Eve... "May you be in Heaven half an hour before the devil even knows you are dead". I'm sure that was the case for you, Bob... Love, John & Lydia

“ I told my mom, Lydia Brandy, this morning: "The World is a little bit dimmer with Bob Ritzel not in it." Bobbie, I will be holding you (and your family) close to my heart. You and Bob have been such a great addition to our extended family. Bob was such a wonderful man and an inspiration to remember anytime anything seemed impossible or insurmountable. I would just hear his laugh and know "Hey, just laugh about it." Life is truly too short. I find it very fitting that we will get to spend New Years Eve with Bob one more time!

Words will never really express how sorry I am for your loss for I know just what a deep loss it is to have lost Bob. I'm thinking of you now and always. Todd and I are always here to help if you need anything.

Love,
Todd & Deanna Hayes
