“ *My Daddy was the strongest man I ever met, I loved going to work with him as a child. He was always beside me when I raced my babies to the Emergency Room. We were not rich but he worked hard so my mom could stay home and take care of their babies. The greatest gift he ever gave us was his unconditional love, support (even if he did not agree and yes most of the time he did not but he loved us anyways) understanding and he was just a phone call away. God could not have given us a better man to call him Daddy. The funniest thing is when he introduced my husband as his wife's son-in-law, should see the peoples faces greatness cause I can still hear him saying that. He was only a phone call away and now he is forever in my heart and will forever be missed. The first man that ever loved me or held me.*

Sharon Lee - August 01, 2019 at 05:17 PM

I am Sharon's cousin and used to spend a lot of time over at Leon & Sharon's house when I was dating Ray (my husband now and has been for almost 50 years!) I remember being around Robert and Mildred and remember the kids when they were small. Doesn't seem like that has been that many years ago! My thoughts and prayers are with your entire family. I know this is a difficult time. Love, Ray & Karen Young
