“ *Hello Crystal, it was just aired here on New Zealand television, I do not mean to be netgiave but I KNEW Melody was not into having you and your lovely family in her and bubs life, you could see it on her face, and she was rather dettached. Wish you were my family, you are mega lovely, I SOOO wish you well and I hope Melody snaps out her selfish streak and pulls her head in and realises that the minute we are born, we start dying, as our lives are so short, it is what we do inbetween that counts, that matters. God bless you all.Love from New Zealand.X X*
