“ My heart and prayers go out to the family of Robert. I am saddened to hear the news of his passing. We had some good times many years ago. He was definitely one of a kind and there's no other person out there that can duplicate him. He loved music, wrestling, and cracking jokes. He was always up to something and you knew it by the way he laughed. He will definitely be missed. I look back now and wished we were on better terms before he left us. Rest easy, Rob.
