“ *I'll always remember you zooming around in your motorized cart at Walmart using your "grabber" to zone the shelves. Lots of love Roberta, you will be missed.*

“ *I work with Roberta at Wal-Mart in Seattle. I loved talking with her she was such a hoot. We had a lot of good laughs about Wal-Mart. She will be missed by many. She is with God now and I'll be reunited with her when Jesus calles me home. I love you Roberta, miss you.*
