

Ron Haley

September 10, 1952 - April 28, 2026

Ronald Douglas Haley, a beloved husband, brother, father, uncle, grandfather and friend passed away in the comfort of his lake home on April 28, 2026. Ron was born to Curly and Geneva Haley in Andrews, Texas on September 10, 1952. He took his last breath at the age of 73 surrounded by loved ones.

Ron was a man full of enthusiasm. He spent his life as a phone man working hard but keeping people on their toes. He did his best to make people laugh either with his actions or a great story. Later in life he made everyone proud by going back to school and graduating from Dallas Baptist University.

If Ron wasn't at home, you could almost certainly find him on the lake. He spent countless hours passing down his passion to his children and grandchildren, teaching them not just how to cast a line, but how to find the perfect "honey hole." Almost as much as fishing was his love for The Texas Rangers and Dallas Cowboys. He enjoyed watching both teams every time they played.

Ron is preceded in death by his parents Curly and Geneva Haley, nephew Keith Hale and niece Katie Yount Smith. He leaves behind his devoted wife of 27 years, Christina Haley. Daughter Brooke Pearson and her husband Gary. Doug Haley and his wife Jessica. He will be missed by his grandchildren who called him Pepaw; Zachary, Hogan, Dakoda, Brody, Cain, Ainsley and Stella

and two great grandchildren. Siblings; Kathy Rekow and her husband Dale, David Haley and his wife Glora Ann, and Sandra Yount. As well as numerous nieces and nephews.
