“ *Uncle Ron,*

I'm still missing you. It's hard to believe that one night we're living it up bowling and having fun and the next morning we were finding out you were gone. You truly are missed.

“ *Im not good at these things so im going to do my best... I'm not sure if i knew this man, but when i was looking over the paper his name just stuck in my head and stayed there like i knew him.. now im not saying that i didnt know him, but im also not saying that i really knew him eather.. but its not weather i knew him or not, because its not about me.. im pretty sure that if i was to know him then he had to have been a good guy. he might have been hard on the outside but on the inside he was a nice man.. im sure he is in a better place watching over those that loved him dearly, and he will be waiting untill you get there to enter those gates..*

*I hope yall as the family are doing good and dont worry hes safe and sound waiting on yall to show up.. he might even be playing ball outside with his childhood dog or loving on his favorate cat.. although you never know he could be sitting on a lake right now enjoying the view.
again im sorry for your loss.*

“ Kasey and Family,

I know you are his firstborn and the eldest of Ronnie's children. As a little baby you brought great joy to him. I know you don't remember those days, but I do. I know you have mixed emotions but I also know you have great faith. Your faith will see you through. We are sincerely sorry for your loss and are praying for you.

I am so glad you have your wonderful husband and kids to lean on. I know he is a Godsend and will be in the days ahead.

As Always,

Love,

“ *Uncle Ronnie, you have always been a part of my life, but I really didn't get to know you until these last five years, you helped me with advice and showing patience on how to deal with my children. You will be forever missed and always in my heart. Keep watch over of all of us and keep us safe and we will never forget you!!!!*

“ OHHHHHHHHH Ron what were you thinking when you climbed into that pickup Sunday Morning!!!!!!

The problem is you weren't thinking and that isn't all your fault this I know

I feel in my heart that you are know at peace with the world and will never be in pain ever again and that you are in a place to where you can watch over your children and forever protect them and help to guild them thru life' trials and tribulations.

You have been a part of my life for 38 years and you have been a very large influnce in the twins Rick and Glen and Lisa all of whom think there is was and will never be anyone like Uncle Waddy (Ron)

Ron you will forever be in our Hearts and we will NEVER FORGET OR STOP LOVING YOU
