“ *I love you, Grandpa. I miss you greatly already. I can't believe that you are gone. I'm thankful for the memories that I have, and will cherish forever. I will definitely think of you every time I am on a golf course. I enjoyed the time I got to spend with you. Thank you for being the best grandfather I could hope for.*

“ *My grandpa was a great man. He encouraged me, inspired me, reprimanded me, talked to me, laughed with me and sometimes at me; but most of all he loved me. I am so glad that we had him with us for so long. I am blessed that he had the opportunity to meet my children and to love them as greatly as he loved me, even if for only a short while. I have so many great memories of him that it's hard to pick any favorites. I am thankful for every moment I spent with him. I am sure he has a front row seat in Heaven doing what he did best. Loving his kids, grandkids and great grandkids and watching over them always. Until we meet again, Grandpa Doodle Head. I love you.*

“ My dad was a wonderful person. He loved his family very much. He was loved by his family very much. I have many happy memories of growing up. I remember the Sunday afternoon drives, going to the little store on the levy to buy ice cream sandwiches, fishing, and family camping trips, the Sunday dinners with all of us and Grandma and Grandad. I am so glad that my dad was able to be a part of my children's lives. I know he shared in thier joys and triumphs and that he lamented thier losses. He loved my mom very much. He was a good role model for honoring committment in marriage. His family was important to him and he enjoyed family events. I will always remember him calling and leaving songs on the answering machine. He loved his big family: his wife, his children, his great-grandchildren. He will be missed. I am so grateful for all the times that we had and for the wonderful memories he left us with. I love you and miss you, Dad.
