“ *I was so sorry to hear of Pardner's passing. I've heard stories of Pardner all my life from Aunt Reba, but never met him. I do so enjoy visiting with his mother, Clara and hearing the family news. I know Pardner will be missed by all, but the Lord's comfort will sustain in the days to come.*

“ *Although I never officially met Ronnie, I became acquainted with him through Jeanette at Wimberley Market Days. When she would call to check in, her smile lit up knowing that he was there. When he called to check on her, a smile and laugh were always ready to greet him. Their love for each other was evident with each conversation. He will be missed.*
