*“Every living thing has to pass”, That’s why we cherish it while we have it. That’s why we respect the decisions our loved ones make for themselves. That’s why we love, and why we care. That’s why we feel hurt at times. Dad your memories with me shall always be cherished, The great times at the lake were some of my favorite. I loved the fishing, water skiing, swimming those late nights out on the lake what can I say. The Elmore's, McCary's and yes Bennett's were just a few of the families that got to enjoy those special moments at the Lake. There were many other families also, just too many to list so please understand OUR DAD accepted many as his own and was able to share that gift back in many ways. GOD BLESS YOU DAD*

“ *Uncle Ronnie,  
Really going to miss you Uncle Ronnie especially at the 4th of July reunion. I still have the cotton seed sock you gave me to remember our football playing on Pisgah Ridge. We were too poor for a real football. Thanks for all the found memories. I know you are where there is no pain and suffering. You have all your family around you. I guess i am the last Bennett boy that was raised on the ridge. What a ride of life we had there.  
Going to miss you so much. Jimmy Bennett*
