“ *To The Family*

Even though I have never been real close with the family, Ronnie always knew me from my younger years to as recent as the last 2 years. He always was happy to see me and always wanted to know where my brother was now.

I will always remember his grin and the sparkle in his eyes when you knew he was up to something.

My thoughts and prayers are with you at this time.

“ *Ronnie and I grew up together. Our mothers were good friends also. I ran into Ronnie at the Twilight Home a couple of years ago and was so glad to see him again. I know his family will miss him. My prayers are with you.*
