“ Dear Shirley and your extended family:
I am so sorry to read of Ronnie's passing.
Please give hugs to your family from me.
I hope to see you at his visitation.
My life is busy with my husband, Robert, who had a stroke a couple
of years ago and his mother, who is at Heritage Oaks in Assisted
Living. She is 96 years (another birthday in July). We have round
the clock sitters with her. She still dresses like she stepped off a
Nieman-Marcus catalog cover every day.
I have added 50 years to my age since you last saw me and the
DPS had the audacity to put the picture of an old lady on my driver's
license.
Call me if I don't get to see you. Let me know where you are living
and how you are. I miss you so much.
Love you so much and may God carry you and yours through this
hard time.
You can call me day or night; I do mean that. Robert is almost totally
deaf and he doesn't hear the phone with or without his hearing aide.
Hope to see you Tuesday night.
Love and hugs,
Shurley

“ Ronnie and I went all thru school together from elementary until graduation. I remember so well the old neighborhood where Ronnie's family lived. I drove thru there just recently and it has changed so much from our carefree days of childhood when we walked all those old sidewalks. I always made it a point to see Ronnie when he came to our class reunions. He added a lot to our collection of memories and we will miss him. My love, prayers, and sympathy to all his family. You were very blessed to have him. May God grant you comfort in your loss.

“ So sorry to hear of Ronnies passing. He always had a smile and something to say to everyone he saw. Shirley, even though I haven't seen you in years, I can still remember walking by your house and Ronnie sitting out on the porch. Think of you.

“ *To my Grandpa : I know you are in a better place, Your pain is no more, & after just short of 10 yrs -my Dad will no longer be alone. Bitter sweet- We never wanted to think of life with out you, yet we know that it is selfish to hope for keeping you here with us when we know the pain of each day. You have made it to a... place so much better than what you left behind. Im so upset, worried, & confused from this, but I then remeber that all things happen for a reason. It was meant to be. Your pain from life is no more, you have survived so much-never giving up, you truely loved us & will always be loved by us, and you are not alone-you have your son by your side....and we know he has been missing from your heart & your life for too long.*

R.I.P. - Ronnie Edward Wigley;

My grandpa Ronnie

Loving you always and Missing you until the day we meet again.

“ He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5

“ To the family of Ronnie Wigley I want to express my sorrow for your loss.

My memories of Ronnie are from my father Elmer Adcock and when I was a little girl. I know how excited my dad would get toward the end of his working week when he knew that Ronnie, and all the others would be attending a Corsicana Tiger Football Game.

Daddy died in 1993 and I miss him dearly. I know daddy will be waiting with a big smile and a pat on the back to see his dear friend Ronnie in heaven. I just had to write this to your family as I know that is what daddy would have wanted me to do.

God Bless all of you during your time of grief.
