“ *Rose (I knew her as Rose Ann) was a classmate of mine back when we were in Jr. High. It was exciting to reconnect with her on Facebook. There was a huge amount of catching up" we had to do and we had only just begun. I'm so saddened to hear we won't get to do just that. My heart goes out to her precious husband, Russell, (she told me she loved you dearly) and to her daughters (she bragged on y'all and your spouses quite a bit!) and we laughed about all the Aggies in your family. I know your hearts are broken. I hope you can take some comfort in knowing she's walking on streets of gold, seeing Jesus and the Father, and moving into her mansion He's prepared for her. May our Father in heaven surround you with His peace and give you comfort in the days ahead.*

“ I am so sorry to hear about Rose. We had several real estate transactions that we worked on together as Realtors through the past years. This is how I got to know her. When we visited together she always seemed to show such happiness when she spoke of her family. My thoughts and prayers are for you at this sad time.
