“ *When I was a kid my family would visit the Christie family and the Southard's lived next door. My grandfather and his grandmother were brother and sister. All the cousins would enjoy playing while the older generations spent time together. Kenneth was a great role model for Blooming Grove. He was a superior advocate for the school system when I taught at Blooming Grove. I also taught his son in third grade but most of all he was a great dad! My thoughts and prayers go out to his family.*
