“ Jean, Gary, Sissy and families...

My prayers are with all of you. I know how much you loved Uncle Roy. He was a fun person to be around. I can remember in the 80's when we would all get together at Ann's on Sunday and watch football and have a fish fry or eat some of Ann's delicious roast. Uncle Roy was always joking about something. He loved the outdoors...I only got in a boat with him once...that was enough! Slow was not in his vocabulary in his younger days. Always remember that family is a very important part of your life and treasure every moment you have to spend with them. On a clear night, pick a star and that will be Roy. When you need comfort just go outside and look into the heavens for you special star. He will always be watching over you. Just think how lucky he is to be with Jesus and not suffering anymore.

Love, Connie
