“ To the family ,I will always be thankful Roy helped me through a tough time in my life. It was a simple conversation in which he expressed a confidence in my ability as a mother, that I my self did not know I had. It gave me courage,this in turn has been passed on to many younger Norris's. God bless you all. I am very sorry for your loss. Lovingly,

And the Almighty God will sustain you during this difficult times, with that Peace that surpasses all understanding. (Phillipians 4: 6,7). May this message bring all of you a measure of comfort.

“ We love and miss you so much Uncle Roy! When I had Adelaide four months premature, he called me everyday to ask about her and to offer words of encouragement. Even on the darkest days his words brought hope to us. I am so sad that he never got to meet my little miracle, but I know he is watching over us all now!

“ *Uncle Roy, you gave me strength when I needed it most. When mamma passed I lost courage and will. Your words gave me the ability to share with everyone the spot my mother occupied in my heart. I will forever be in your debt. My mother has been lonely and I am grateful as I am sure she is for your stay. God bless.*
