“ We want your family to know you are in our prayers at this time. Robert is 24 and handicap and we know it must be very hard to say bye. My Dad was down the hall from Roy. With Love and Prayers.

“ My prayer and thought is with you all. We will have to find comfort and know that "Little Roy" is now with his mother, and no longer suffering. I hope that each of you will soon find an end to your grief.

“ We are so sorry for your loss. We were very close to Roy he was like our brother. My favorite memory is one halloween that my Mom (Nancy) wrapped him up in toilet paper and they WON the Mummy Wrap Contest. There was times i would feed him and give him his Dr. pepper, and i will miss him greatly. We love him very much and will always live in our heart forever
