“ *In 1951-1953 I was privileged to teach at Travis Elementary with Ruby Lee and I consider her one of the best teachers I was privileged to know. It was my first year to teach and Ruby was a model for me and help me have a successful first year that was the beginning of a 43 year career in teaching.*

She was a very warm, dedicated, professional that could teach a stump to read. She was a great teacher and I was privileged to know her and to know those two cute little girls.

May God's blessing be with all of you.

“ *To Mrs. Lee's family:*

I was so sorry to hear of Mrs. Lee's passing. I was out of town visiting with my daughters in Houston, only to return and learn of this sad, but joyous event. Thanks so much for sharing your mother with the rest of us. She was a great lady. Thanks to her it helped many of us find a direction we were going in life.

I, like her, spent 37 years in education as a teacher, coach and principal, and she is due the credit.

“ *I enjoyed having Mrs. Lee for 4th grade math. She taught me the multiplication tables and made it alot of fun. I was at Travis from '71 to '73. My deepest sympathies to all of her family and friends. God bless you all and comfort you at this difficult time.*

“ *Im sad to hear that we have lost such a wonderful lady, but i know the Lord will be happy to have her home. I think my most fondest memories of her class was the imaginary trips we took around the world. She made class exciteing for a poor child in the sixtys , pretending we were really going to places all over. Great Teacher!*

“ I was fortunate enough to have Mrs. Lee as my 4th grade teacher when I was a student at Travis. I graduated in the Class of 1957, and I will remember her along with all of the other wonderful teachers at Travis when I attended there. My deepest sympathy goes out to Mary Lynn and Peggy that I remember so fondly having been friends with Joyce Simmons and Betty Wade and Neva Bone and letting me tag along on some of your adventures in high school days. Mrs. Lee was quite a woman and Johnny Martin emailed a picture to all of us tonight which included her and the other wonderful teachers I remember so well taken in 1948. I will treasure it and am thankful that I was privileged to have been a student in her class. God bless all of the family.

“ So very sorry to hear of Mrs. Lee's passing--the last of my great elementary school teachers at William B. Travis (1962-63). She was a sweet lady and a good teacher and I will always remember her with great fondness.
