“ Our dearly loved aunt, Walnut as we fondly nic-named her many years ago, enjoyed hearing and telling stories to update each other, and to reminisce. We?d laugh together and cry together, if need be. We agreed many times - we?d rather laugh than to cry - we'd put our concerns into God's hands, and try to give our conversation a humorous twist to end with a smile (even if there was still a tear in our eyes).

Many tears have been shed, and many more to come, with the anguish of our loss, but let us hold to the good memories she has left for us and find laughter again, as she would want.

To our cousins - we send our Love and Prayers for comfort and peace. Know that your Mom/Nanny loved you all, very much.

Special Thanks to Anita and Dennis - your devotion and loving care of your Mom was remarkable and she truly appreciated you both - she'd want me to tell you :)

“ Walnut will be greatly missed! I always enjoyed spending time with her, sharing stories, and laughing. In the last few years, I didn't get to see her as much as I would have liked, but am thankful that I did get to see her when I was down that way last year!! I know that she loved you all - kids and grandkids - very much!! My thoughts and prayers are with you all! May God comfort you during this time!

With love,
Amanda

“ I want to extend my condolences to you and your family. There are no words to express the loss of a loved one other than it's painful. She is in a better place and is not suffering anymore. God extended his hands to her and she wanted to be in a better place where she can sing and dance with the Lord. May God guide the family to console your hearts and the emptiness that your enduring at this time.
