“ I have been so fortunate to have Unlce Hugh in my life. From the first day that my wife Barbra introduced me to him and Aunt Edith Mae I have been blessed beyond words. His smile, his quick humor, his great stories - thanks Uncle Hugh. You will be missed and always loved.

“ Edith, you and Hugh were extraordinarily good to my Mother and Daddy, George and Haley Darden. You were the best, kindest, most accomodating neighbors they ever had. Thank you, Edith, and I thank God for having placed you and my parents as neighbors. There is absolutely no doubt that there is another angel in Heaven, and his earthly name was Hugh Brewer.

“ If the world had more people like Hugh, it would be a much better place to live. Hugh always had a kind word to say. We feel blessed to have known him and have went to church with him for many, many years. He will be missed by many. May God comfort the family during this loss.

“ He was a good steward for the people of Navarro County. Spent tax payers money wisely. Navarro County has lost a good citizen. Job well done.

“ Aunt Edith
I was lying in bed last night remembering the Friday nights that you, Uncle Hugh, Mom and Dad would be playing Canasta while Dave and I would be playing outside. While that seems like an eternity yet seems like yesterday. My love and prayers are with all of you. I will see you tomorrow.
Love always,
Gina

“ We have known many men across the years, but this man...there was something special about him from the time we first was introduced; that handshake, the smile and sparkle in his eyes and the soft spoken words, everytime we met him, he never changed,always the air of humility about him. I think the one of the most humble men we have ever met...that is what our lasting impression of Hugh will be..

Edith, we are sorry for your loss. May God richly bless you.

“ *Edith, David, Kathleen, Kevin, a
Anna, Mom, Dad, Rondia, Jonathan...*

It is with great sadness that I can not be there in this time of greiving for us all. Granddad Hugh was one of the most well respected people I have ever known, and this world will be worse off from the loss of him in it! He always treated people as the Lord taught us all. There are a few great memories I have of of him and me as a kid. Let me share one with you. One summer day Jonathan and I were visiting and Grandpa took us down to the the barn to Feed Trigger (Uncle David's horse). Jonathan and I were climbing in the hay barn, having a good time. Jonathan got stung by a wasp, screaming. Grandpa swept him up and took him to the house and consoled him and placed ice on the sting. Seeing how he loved us and nurtured him in this trying time is a remembrance at how Grandpaw nurtured everyone that his life had touched. This world could use more people in that truly care about the well being of the people in it. It is with great sadness that my life has required me to be far away and that my kids did not get to experience this truly great human being. I know that their lives would have been better if they had. Grandpa, I will truly miss you, and know that I will see you sittng playing 42 with your friends when I walk thru the gates of Heaven.

*With all my love,
Jerry*
