“ Our heavenly father, our short time here on earth is only by your grace. We rest in the knowledge that, Sandi, and those of us who call you Lord, will have eternal life in your presence. We commend her soul to you and pray for her peace and comfort. We lift our hearts in gratitude for the life of Sandi and for the priviledge of sharing her life.

As we stand before the mystery of death, as we march toward the horizon which we all must go. Take us by the hand and lead us with dignity and calm, knowing that the sorrow that death brings is inherent in the great gift of life.

For it is in Jesus name we pray.....

Amen

"come to me all you who are weary and heavy laden and I will give you rest"

“ Sandy was like a sister to me - she stood by all of us in many different situations - happy and sad. She provided many talents during happy occasions and very broad shoulders during the sad. Sandy always gave so much of herself and never wanted anything in return. She was a friend, sister, confidant, and I will miss her so much.

“ Sandy has touched so many lives with her wonderful smile, good heart, understanding and patience. Her love and support for me during "what ever" I was going through was much appreciated. I am going to miss her so much. She is a great friend and a wonderful Aunt. I love you, Sandy! My prayer is for God to bring Comfort and Peace to Uncle Tommy, knowing she will be waiting for us in Heaven... Amen

“ I will always remember Sandy as an animal lover, and some one who loved to laugh. She always made me feel special whether it was a holiday or not. I am sitting here thinking of words to describe Sandy but I can not. And no words can describe how I feel about losing one of the best aunts anyone could ask for. I will love Sandy forever and always.

“ Sandy, I will never ever forget you. You are the nicest woman I had the pleasure of knowing. You have the biggest heart, I remember especially at Christmas time, or any occassion, you would make everyone feel like family even if they were not apart of our family by just a simple hug, or by a gift that you had made with your own 2 hands. That was just the type of woman you are. I love you and will miss you very much. Give Philip a hug for me.

“ Sandy, life for us will not be the same without you. I speak for Popo too who is so sad at this time. His little precious girl can not get his hugs and kisses. he is too emotional to write. All the family know how close you were.

I want to say what a blessing you have been to me this last 30 years Our memories now are so precious, confirmed with the many things you designed and made for me, priceless gifts that will be with me forever.

I will miss our shopping trips, the fishing, parties and the wonderful surprises you came up with. I will miss the eloquent cards, with messages of love , all so very special.

Before Tom came into your life to take care of you, we remember "Harve", the 2-stepping, all the moves {from upstairs apartments}, the pets, Popo really remembers the cat from "hell", recovery through back surgery. . The wonderful plans and surprises you arranged for your family. You were a treasured blessing that will be forever missed and loved.

We take comfort in knowing we will be together again, and you are there waiting for us with open arms and free from pain.

Thank you for being such a special daughter.

“ Dear MeMe,

*I'm So Lonely MeMe
Since God Took You Away
There Is A Part Of Me Missing
Things Will Never Be The Same
Sometimes I Feel You Near
I Hang My Head And Cry
Wishing You Were Here
I Want To Talk To You
Like I Use To Do
I Wish I Could See You One More Time
Come Walking Through My Door
But, I Know That Is Impossible
I Will Hear Your Voice No More
I Know You Can Feel My Tears
And You Don?t Want Me To Cry
Yet, My Heart Is Broken
Because I Can?t Understand Why
I Pray That God Will Give Me Strength
And Somehow Get Me Through
As I Struggle With This Heartache
That Was Caused By Losing You!

“ *Baby Sister, We don't know what we are going to do without you. Our hearts hurt so very much, but knowing you are free from all suffering makes the pain bearable. We can only imagine the happy reunions you have had with Mom, Harvey, and all our relatives; as well as all your pets. We have created wonderful memories that we will treasure forever. With every thunder clap, we'll know you are tap dancing in heaven. Be happy knowing how much you are loved, today and always. PJ & B*

“ Dear Sandy, You and Phyllis are the best two sisters a guy and gal could have!! Don't you know though that as the youngest, you're supposed to wait to pass on until God is through with us older ones so we can "pull you through" to heaven! You always were competitive, so I guess this race goes to you.....but we wish it had not.

Thank you for your generous and giving spirit through all the years. You were always ready to serve as the "social chairman" of our family and we enjoyed many great times and holidays as a result of your efforts.

For a softball catcher who could block home plate with the best of them, you couldn't stop the disease that took you away from us. Now you're playing on the best fields in the universe! Bet you bat a thousand! If there are any stray cats or dogs in heaven, I'm sure they will all gather to meet you and return all your kindness. Save us a place on the team and hopefully, we'll see you at the ball park! All our love, Glenn and Polly

To Tom and all the Cloy family in Texas: Many thanks for all the kindnesses you've given Sandy through the years, and especially during her illness and last days in the hospital. She could not have had better care and support. We will always be grateful. Love Glenn and Polly

“ *Sammy-sun: From birth we have always been more than just a cousins.. we were best friends, sisters, co-conspirators in having the most fun. Mutt and Jeff, the perverbial two peas in a pod, inseparable when we lived in Tulsa, not enough time together as adults, bonded in our hearts, and always in trouble together as kids with the peeps - the mind set being: "If I dood it, I get a whippin'... I dood it!". Peels of laughter were the trademark of our times together and family gatherings. If we had a penny for all the laughter between us, we would be trillionaires. How could you leave me behind? I didn't get to say goodbye. I know you know, but still.... I love you Sammy, with all my heart and soul. I always will. You always had such a BIG heart. You're free now, from the physical pain, the emotional abuse, the isolation, the limitations, and you're home with Aunt Nets, Dad, Aunt Rene, Aunt Mimi, Uncle Dick with his 30's safari pith helmet and all the other members of our family that have gone before. They were all there to greet you with great joy with all the love and laughter you so well deserve. I will miss you terribly until the day we come together again. Always paving the way for me, Cuz....*

With much love and sorrow in my heart, until we meet again....

Let's play ball!

Love and Light,

“ *My thoughts and prayers are with you and the family during this difficult time. Sammy will forever be remembered as a wonderful mother and best friend to me. I had the privilege of knowing and loving her for the past 16 years of my life. Although she is no longer here physically, her presence is still very strong in my heart and all around me. The memories that we shared with her will always remain with us. Sammy will live on and watch over all of us.*

“ *Uncle Alex, Glenn, and Phyllis. It is very sad to hear of Sandys passing. I know how difficult it is to loose a member of the family. Sandra and I would like to attend one of the services, but I am currently recovering from complications as consequence of recent back surgery, which prompted some heart problems to unexpectedly show up. So, I am having to lay low and close to medical care at the moment. I send our condolences and love in this difficult time. And I will attempt to give you each a call within the next day or so.*

“ Tom, Alex, Phyllis and Glenn, I'm so sorry for your loss. I will always cherish the beautiful memories Sandy helped create for us that once in a lifetime Christmas in the Ozarks.

You are all in my thoughts and prayers. May the Lord's angels guide Sandy swiftly to His loving presence, and may they bring each of you comfort.

“ Dear Sandy,

You were the most vivacious, kind, and loving person I have ever had the pleasure of knowing much less the honor of being your step daughter.

You will be sorely missed, especially that wonderful, infectious laugh of yours. I know that you are in a better space now and that gives me great comfort.

With Love,
Dana
