“ *It's been a few weeks now and everyone is getting back to their lives except for a few who are missing you. We pray for God to comfort them and know Sandra would ask them to pull up their bootstraps and get thru it for her until they could do it for themselves. And we will honor her and show her how much we love her by doing just that. God bless you all. We love and miss you Aunt Sandra ~see you again one glorious day~*

“ Prayers for the family. I got to know Sandra when we would pass one another walking. It did not matter what walking track we would always see each other at the track or inside the YMCA. She would always give me a hug and had that beautiful smile!
RIP sweet lady

“ My prayers go out to Sandra and her many friends. I met her and Imogen on the walking trails years back and she stopped me and started talking and a friendship began. She was one of the nicest people you could ever hope to meet. She will truly be missed by so many. God has received a special Angel in his Heaven. She was so precious.
