

Sandra Lewis

August 2, 1944 - May 20, 2022

Sandra Kay Lewis, age 77, of Corsicana, Texas, went home to be with her Lord and Savior, peacefully on May 20th, 2022, comforted by her son Lee. She was born August 2nd, 1944, at Randolph Field in San Antonio, Texas. She was the beloved second daughter of Dick and Maxine Everett.

She attended Corsicana High School, class of 1962, where she was a top scholar and majorette. She furthered her education at North Texas State University, earning a bachelor's degree in education. She taught school for decades at several grade levels, including a time in Japan, but the majority of her educational service was spent teaching special education at Corsicana High School. Her patience and love for her students and fellow faculty blessed many lives over the years, including her own. She enjoyed traveling with family and friends to many countries and most states, as well as with the First Baptist Church on mission and humanitarian outreach trips. She enjoyed years in the singles department, Sunday School classes, Bible studies, and the choir at First Baptist Church. In her retirement, she was able to travel to Europe, Alaska, and road trips across the country with her beloved mother Maxine. However, her most highly treasured travels were to and from Dallas to bring the loves of her life, grandsons Luke and Reid, cookies. She was an avid antique collector, learning that passion from her parents. Her handwork on family Christmas stockings and other items will continue to be a treasure for all lucky enough to have them. She was a passionate, multi-talented lady

who enjoyed blessing all she could with her positivity and joy.

Sandy was preceded in death by her mother and father, Dick and Maxine Everett, her sister Donna Ingham, and Lee's Godmother, Alma Ruth Love. Sandy is survived by her son, Lee Lewis, his wife Ellen, and her grandsons Luke and Reid. She is also survived by in-laws Jon Ed Ingham, Wayne and Ralinda White, Vickie Simon, and their precious families. Additionally, her "sisters- in-love" Kathy Huffman and Jami Lovelady played an important and lasting role in her life.

Sandy personified grace, kindness, joy and love. Her selflessness made a positive and lasting impact on all who knew her.

In lieu of flowers, donations can be made to First Baptist Church of Corsicana in her honor. Viewing will be held at Griffin-Roughton Funeral Home on Tuesday, May 24th, from 10AM to 6PM. A celebration of Sandy's life will be held on Wednesday, May 25th at 11AM at First Baptist Church of Corsicana. Sandy's family would like to extend heartfelt thanks to the late doctor Kent Rogers, the Twilight Home staff, and all of those who loved, cared for, visited, and prayed for her during the last chapter of her life.

What a beautiful tribute. Much love in these photos. My Aunt Sandy was truly a remarkable woman....mother...sister in law (love)...aunt...grandmother. She loved genuinely and deeply. I am blessed and honored to have been able to have had her in my life. I love you and miss you bunches!

“ *Dear Lewis family,
Sandy was such a ray of light whenever she came around. Regardless of what was going on in her own life she always greeted me with a smile and a "how are you doing?" I'm so thankful to count her as a friend. Heaven received a special angel! My thoughts and prayers are with you all today and in the journey ahead May all the special memories you shared be a comfort to you now and in the future. In Sincere Sympathy, Barbara Honea*

“ Aunt Sandy was generous even when she, herself, had little to give materially or financially. She would give you the shirt off her back if she thought you needed it and refuse to receive anything in return. Her smile and positivity were treasures, and they and her love of her fellow man gave us all good things to aspire to. She loved big and wide and deep, and those of us fortunate enough to receive that love will forever be blessed and changed by it. Not afraid to speak her mind, she still made friends with so many who may not have always agreed with her for whatever reason. She may have battled diabetes for a part of her life and wasn't supposed to eat sweets, but she wouldn't have it if she couldn't give lots of sweet treats to all of us at both special times and "just because." She probably has everyone of you reading this on a video cassette or CD she took at some point over the years because she always enjoyed being behind the camera and recording events instead of in front of it. The love and affection from her for her family was palpable, and I can't imagine us without her here.
In short, I loved Aunt Sandy, and I will miss her dearly.

“ Dear Lee and family,
My heart is deeply saddened.
Seems like only yesterday, but in actuality it
was 61
years ago that our friendship began and
remained.
I cherish all the shared times. Our families enjoyed
many happy times over the years as well.
Sandy was genuine and I loved her dearly.
A sweet, precious girlfriend of mine whose memory
I shall always carry in my heart.
All praise that Sandy is now able to walk heaven's pathway
accompanied by angels to meet her Lord and Savior.
