“ Rheann,
Words cannot express how sorry we were to hear of Lucille's passing. We know that she and your mom are walking the streets of gold on Heaven together and she is not suffering anymore. We are praying for you. It's hard to lose one family member but two so close together words can't explain. We had this happen to us several years back and can't express our feelings still today. No one knows unless they have been there. We will keep you in our thoughts and prayers.

“ We are so sad to hear of your loss. We have been blessed to have known Lucille and Wesley for many years. There was always a big hello and conversation if you entered Green's Western Wear. We have all lost a great part of our community. Our thoughts and prayers are with you during this time of sorrow.

“ Rheann,
Sorry to hear about your grandmother. Always remember we are there anytime you need us. There maybe many miles between us in reality but in our hearts there is nothing that could ever come between true friends. We love all of you and we are praying for you and your family. Please tell your dad we are thinking of him to.
