“ *I remember Mrs. Holloway from the hospital. I have a daughter that I named Sarah after her. Mr. Osborn (Bud) was one of my teachers at Mildred. May god bless you and comfort you at this time.*

“ *Our thoughts and prayers are with you during this time. Bud, you were a wonderful son to your mother, giving her "your time" by playing dominoes with her on a regular and taking care of her doggie. We wish we could be there for the visitation and the funeral. Our hearts go out to the entire family.*

“ I have many great childhood memories of my time spent with Granny. Marshmallow roasts, fried chicken, Christmas Parades, milking my first goat (that was an experience), and trying to figure out how both of us were going to sleep in her twin bed (also interesting). She played Cristy Lane's *One Day At a Time*, as loud as she could, until I thought my ears would bleed. I know she loved me, and I her. I will miss you Granny, but I know you are in a beautiful place. Until I see you again, much love.

“ I have many fond memories of Sarah. My father and mother were close friends of Sarah and H.T. They loved to play 42. While they played 42, my brother Ed and Pete and Bud played games. Mother and Sarah worked together at the hospital taking care of the newborn babies. Mother always said that Sarah was her longest best friend. Sarah and I visited via of telephone for many years. I'll be remembering all of the family in prayer.
