“ To Sarah's family: Sarah and I were classmates at Barry from the first grade until our high school graduation in 1956. She is--and always will be--forever in our hearts. We studied together and we attended school and Sunday School parties. We were friends--in the real sense of the word. Please accept our deepest condolences. Sarah touch many lives through her professional life and the life which she lived. When you want to talk with your loved one, you need only to look into your Heart for there you will find Sarah. God grant you peace and understanding and let Him hold Sarah in His arms.

“ *To Brian and Family,  
From my family to yours, our deepest sympathy in your time of  
need.  
It's amazing in all the years I have known you that I think I only met  
your mom once or twice, but feel that I knew her none the least.  
Our thoughts and prayers are with you, Karen, and all of your family.*
