“ *Dinah,
I am so sorry for your loss and pain. You are one of the strongest young ladies I have ever met, God will guide you through this. You and your family are in my heart and prayers. May God comfort you all as you comfort each other. Anything you need, just call me.*

“ Sash, My dearest, I only got to know you for such a short time it seems but you were my heart. The closest person I ever had to a sis. and you were my sis in the truth. Oh how we had shared in prayers of our futures now you will not have the pains when you wake and you will freely be able to breath. I look forward to seeing you in the new system. You worked so hard and your sweet heart was so large for others. I know Jehovah was in your heart too. Things were so tough in your final days and your hope was so strong. My dear it seems your hopes were going to be fulfilled if only. The day you were lost we had talked the night before and that day and you were so bright and full of hope. How I am already missing our long text, funny jokes, shopping trips, fantastic nightly talks, and all of the strength you gave me. My heart truly is fractured in loosing you my sweet girl. I will always be yo ho! I miss you. Luvin ya bunches! Mon
P.S. You will always be close in my heart. My prayers and thoughts are with your precious family.

“ To: My Beautiful Niece Sasha,
You will be the brightest star in heaven now. You were the joy of your father and mothers life. And the sunshine of your grandma Rachel & grandpa Tino's. I know your grandpa Tino welcomed you with loving arms. My memories I have of you I will always hold close to my heart. I pray that you knew that your Aunt Trena loved you with all my heart!
