“ *Our deepest sympathy goes out to the family of Jae. My wife is his cousin, but we only met him once. We were very impressed by his friendliness. We sat around one Sunday afternoon drinking beer and having a wonderful conversation. We nearly missed lunch, but really didn't care. Please believe that he is in a better place now.*

“ I was so shocked to learn of Jea's illness and passing and so very sorry. I met Jea when I was a freshman in high school and loved him instantly! He was precious. We had lockers right beside each other and I couldn't wait to get out of class and hope I would see Jea! He was always a great friend and a great person. I will really miss him. I really regret I haven't see him in a long time. He was a great musician. My thoughts and prayers are with you David, PJ, Jerry and family. Jea will live in our hearts forever.

Sincerely,

Lisa

“ Jea will always be remembered as the guy who helped me out by standing in my wedding when I had a no show. That was Jea though. ALWAYS there when you needed a helping hand. The time we ran into the "electric fence" will still be one of the funniest moments in my life. We had great times together as freinds. To Jea's wife and family my prayers are with you.

“ *The two biggest things I remember about Jea is that beautiful harmonica music he could make and his amazing smile it was just a smile that lit up his whole face, and it made you feel so good. I've had the pleasure in running into Jea from time to time since high school and that bright, warm, and wonderful smile was always there. God's speed Jea you will be missed but never forgotten.*

“ We would all hang out in the late 80's as a group either at Lake Halbert or on Gibson's parking lot on 7th Ave. I can remember Jea having a little bluish/silver truck and you would see him everywhere in town. You were always guranteed a laugh if Jea was around. He had the best personality, the biggest smile and when he laughed -- his whole body would move. I remember he was the coolest guy because he would part his hair down the middle and the wings would touch in the back!! Nobody's hair would do that but his! I hadn't seen Jea in probably 16 years but was saddened to hear of his death.

“ At times like this, "I'm sorry" sounds so empty compared to what you're going through. And yet, it's all I know to say. I'm very saddened, very sorry... and I care about you very much. My Love and Prayers are with you and your family in your time of grief.

“ My deepest sympathy goes out to Jerry, P.J., David, and the entire family of Jea's. I worked with Jerry for 15 years at ExxonMobil, I knew Jea and David from playing music, and from being around their same age. I have had the pleasure of being around Jea and David at a few concerts and other functions. I thought a lot of Jea, and do of the whole family. God gave Jea and David the gift of music, and they always have enjoyed it to the fullest. Jea was blessed with being an excellent harmonica player; I know of none better. Those of us who have had the pleasure of knowing Jea will surely miss him, but we can take comfort in how good a person and friend he truly was to each of us. If my new job did not require I be there, I would sure be at the service on Saturday. You are all in my prayers at this time.

“ David, Paula and the rest of the family/friends:
Jea was truly one of the greatest friends I have ever had. He was always there for me during a very hard time in my life. I will always cherish my memories and he will remain in my heart forever! I know that some where he is having a reunion with those friends we have lost.....Can you imagine the party!!! Although I didn't get to see him often in the past years, I hope he knew how much I loved him and his friendship. God has taken a special person to be a special angel and watch over you.

“ To David, PJ and Jerry. I am so sorry to hear about Jea's illness and what the whole family has had to endure over the past months. I didn't hear about Jea's passing until Last evening. Since my carrier moved me away from Texas in 1998 I have often thought about David, Jea and the great memories I cherish and will always hang on to. I met Jea from being friends with David in the early 1980's but have never forgotten Jea's smile and the laughter he could bring without even trying. Jea's light hearted personality made him a person you always wanted to be around. I lost my Mom in 1997 to a 5 month battle with ovarian cancer and my wife Lea is fighting a 2nd time around reoccurrence with Cancer so this truly hits home for me.

David, if there is anything I can ever do to help comfort you or your family, please call day or night. I'll never forget you, Jea or the good friend that you were to me when I needed one the most.

Your Bud for life.....

“ Jea, was a wonderful person full of life and love for his family and friends. Jea was the type of person who would do anything for anybody if asked. He loved music. The Jea I knew was a kind hearted person and a hard worker. He loved making and repairing things with his hands. There are no words to describe how special he truly was of a person. Jea will be truly missed by all that new him and remembered in our hearts forever. There will come a day where we all will meet in that special place called heaven.

“ Truly sorry to hear about Jea. He will be deeply missed but not forgotten. I know he is in a better place now. My thoughts and prayers are with the family, as they always are. Jea was truly my friend and part-time brother, as he and David, PJ, and Pop was a big part of my young life in Corsicana. Not a day goes by that I don't have thoughts of them. I can still hear the voices calling out to Scott. We may have lost Jea, but he filled our memories with joy, and filled our hearts with love. Always love you Jea.

“ Scott was a helluva man. He loved cats, music & having a good time. We will miss that big smile and wit but the memories of the times we spent with him will never fade.
Heaven must have needed a harmonica player for the band and he was the one chosen for the tour.

God Bless!
