“ To the family of Sharon Barton, we offer our sincere condolences. She was a wonderful person and a brilliant teacher. Sharon taught both of our children at Lee Elementary School. They both adored her and as parents, we did as well! Over three decades past, but we still recall a conversation with our son where he expressed frustration with some new academic challenge. In response, my wife pointed out how his 1st Grade Teacher would have handled it. “Yes, I suppose a boy only gets one Mrs. Barton”, he replied. She will be missed by all she touched! God bless you,
