“I Will Rise”

*There's a peace I've come to know
Though my heart and flesh may fail
There's an anchor for my soul
I can say "It is well"*

*Jesus has overcome
And the grave is overwhelmed
The victory is won
He is risen from the dead*

*[Chorus:]
And I will rise when He calls my name
No more sorrow, no more pain
I will rise on eagles' wings
Before my God fall on my knees
And rise
I will rise*

*There's a day that's drawing near
When this darkness breaks to light
And the shadows disappear
And my faith shall be my eyes*

*Jesus has overcome
And the grave is overwhelmed
The victory is won
He is risen from the dead*

*[Chorus:]
And I will rise when He calls my name
No more sorrow, no more pain
I will rise on eagles' wings
Before my God fall on my knees
And rise*

I will rise

*And I hear the voice of many angels sing,
"Worthy is the Lamb"*

*And I hear the cry of every longing heart,
"Worthy is the Lamb"*

[x2]

[Chorus:]

And I will rise when He calls my name

No more sorrow, no more pain

I will rise on eagles' wings

Before my God fall on my knees

And rise
