“ There are not many people in this world like Aunt Sharon, a person with a true and pure heart. The type of person that you always feel at ease with and relish being in their presence. With Aunt Sharon you were never judged, no matter what you did...you always felt loved and cherished with her. I know that if there is a heaven Aunt Sharon is sure to be there, she was on the top of the list. I know that the world and my life was better for having her in it and knowing that she truly loved me, faults and all. If you are fortunate enough to have had her in your life then you have truly been blessed and witnessed and been in the presence of one of God's greatest accomplishments...my Aunt Sharon.
